

FACT SHEET- November 2014

SCL 280 PM 7.5/11.5, In Cupertino, from Tantau Avenue to Foothill Expressway

Rehabilitate Roadway-EA-04-27204

Project Description:

Rehabilitate Roadway, in Santa Clara County, on Route 280 from Tantau Avenue to Foothill Expressway (PM 7.5/11.5).

Scope of the project includes replacing failed concrete slabs, profile grind, repair joints, seal cracks on existing concrete pavement, and resurface shoulders. Also included are the upgrading and/or modifying of drainage inlet grates, guardrails, signs, and markings to enhance traffic safety and replacement of overhead sign panels.

Need and Benefits:

The Pavement Condition Survey for this section of the road has an overall PCS/PMS priority of number 3&5 which characterizes the road as having minor pavement distress and poor ride quality.

The purpose of this project is to preserve and extend the life of the existing pavement and improve ride quality.
